

**North Dakota State University Math-in-CTE Project  
Principal Endorsement Form**

\_\_\_\_\_ has agreed to participate in the Math-in-CTE project. The purpose of the Math-in-CTE project is to provide professional development opportunities for career and technical education (CTE) teachers to team up with math teachers and develop math enhanced lessons to help high school students improve their math skills. This project will allow 60 teachers from across North Dakota to become involved in the Math-in-CTE project. We ask you to sign this form to indicate that you are informed about the project and support the teacher's participation in the 2009-2010 academic year.

**Time Commitment:**

By agreeing to be in this project your teacher will be expected to do the following things:

Participate in the following professional development activities:

- November 2-4, 2009, 3-day professional development session.
- December or January, 2009/2010, 2-day professional development session.
- Winter, 2010, 1 or 2 evening professional development session (via IVN).

**Expenses:**

All travel, lodging, and per diem necessary to attend the professional development sessions will be paid by the project. In addition your school will be reimbursed for substitute teacher costs incurred while your teacher attends the professional development sessions that occur during the school year.

**Contacts and Questions:**

If you have questions, you may contact Dr. Brent Young at [brent.young@ndsu.edu](mailto:brent.young@ndsu.edu); phone: (701) 231-7439 or Dr. Mari Borr at [mari.borr@ndsu.edu](mailto:mari.borr@ndsu.edu); phone: (701) 231-7968.

Please retain a copy of this form to keep for your records.

I have read the above information. I support the participation of the teacher indicated above in this study.
