

REBALANCING FUND RENTAL ASSISTANCE AGREEMENT

DEPARTMENT OF HEALTH AND HUMAN SERVICES

ADULT AND AGING SERVICES

SFN 1933 (5-2025)

I am choosing/requesting to participate in the Rebalancing Fund Rental Assistance. The Rebalancing Fund Rental Assistance Agreement helps individuals to maintain their apartment until a voucher has been secured with the local Housing Authority.

I understand the following:

The participant must maintain Medicaid Eligibility.

The participant must meet the eligibility requirements of the Money Follows the Person (MFP) Grant.

The participant must continue to participate with their transition team members post transition and potentially the Housing Facilitator until a voucher is obtained.

The participant must maintain eligibility to receive a housing voucher within the state of North Dakota. If the participant is no longer eligible for a housing voucher, they will not qualify for Rebalancing Fund rental assistance.

The participant agrees to pay 30% of their current income towards their apartment and adjusted accordingly. The amount the participant must contribute will be discussed at time of application.

Once a housing voucher has been secured the Rebalancing Fund Rental Assistance will discontinue paying the 70% toward rent, as the housing voucher will cover that portion of rent.

Rebalancing Fund Rental Assistance Agreement must be signed before rental assistance funds can be approved.
